

Dissemination Liaison Group

This space supports the work of the Dissemination Liaison Group (DLG), allowing communication on a consistent basis between ICLEI Europe, the dissemination and communication lead for CIVITAS SATELLITE, and the dissemination and communication leads of the three IA projects, CIVITAS DESTINATIONS, CIVITAS ECCENTRIC, and CIVITAS PORTIS.

In this space there is a shared calendar, file storage, two discussion threads, and a task tracker to help us organise our work.
